

Conflict of Interest - Stoke Damerel Primary School Association

Introduction

This policy sets out the principles for Conflict of Interest within Stoke Damerel Primary School Association. It is relevant to all within the association and is endorsed by the committee of Stoke Damerel Primary School Association. It will be reviewed annually to ensure that it remains appropriate to the Association and its volunteers needs.

As Committee Members and Trustees of Stoke Damerel Primary School Association we understand it is our duty to make decisions that are in the best interests of the parent teacher association (PTA). We know that where any of us hold a personal or other interest, this could stop us from achieving this duty and acting in the best interest of our PTA.

Applicability

This applies to every member of the Stoke Damerel Primary School Association committee.

Our PTA takes the following steps to identify and deal with any conflicts of interest:

- We make all new committee members aware of this policy.
- We ask all committee members to declare any conflict of interest
 - 1) When they are appointed
 - 2) At the beginning of each meeting
 - 3) Whenever a committee member becomes aware of a possible conflict of interest
- Any committee member with an identified conflict of interest is asked to withdraw from any discussion of and/or vote on that issue.
- Where conflicts of interest arise we will detail in the minutes of the meeting how this has been addressed.
- The PTA will work to make sure there is a good mix of parents and staff across the school involved within the PTA. This will stop any one part of the school being overly represented.
- Where decisions made may favour one year group, subject area, or particular aspect of the school over others we will ensure we have consulted with our members and over time will ensure that all aspects of the school will benefit equally.

This policy will be reviewed annually by the Stoke Damerel Primary School Association committee prior to the AGM.
